

QUALITY, ENVIRONMENT AND HEALTH AND SAFETY POLICY

Opdenenergy is an organization with an international presence, in continuous expansion, with focus on the production of energy assets and on the management of all its phases: development, financing, construction, operation and maintenance.

Within the framework of this activity, The Board of Directors of Opdenenergy is committed to show leadership regarding quality, environment and health and safety, by implementing a Management System that enables to:

- Promote the adoption of a process approach, understand the Organization and its context and incorporate risk-based thinking to address risk and opportunities, achieve goals and adapt to changes.
- Integrate the most demanding standards in accordance with a highly competitive market and provide products and services (projects) that enhance customer satisfaction and meet the requirements of its stakeholders.
- Contribute to protect the environment through prevention of pollution, sustainable use of natural resources and promotion of energy efficiency and a low carbon economy.
- Provide safe and healthy working conditions for the prevention of work-related injuries and health impairments, with a commitment to eliminate hazards and reduce risks to occupational health and safety.
- Encouraging consultation and participation of workers and their representatives.
- Ensure compliance with legal, regulatory and any applicable requirements subscribed by the Organization.
- Achieve continual improvement in terms of quality, environment and health and safety.

This policy supports the strategic direction of the Organization and serves as a reference to establish the objectives. It is applicable to any activity, area or subsidiary company of the OPDE Group, made up by the parent company (holding) OPDE Investment España S.L. and its subsidiary companies operating through the Opdenenergy brand.

The Top Management grants the availability of the necessary resources for its fulfillment and requests all the people working on behalf of the Organization, to actively participate and contribute to the effectiveness of the Management System.

The Board of Directors of Opdenenergy.
